

**TOOLKIT · TREND LOG**

Monthly Pest Trend Analysis Log

Trend the catch counts of each pest type month by month to identify emerging problems before they escalate. Trend analysis with documented corrective action is expected by BRCGS Issue 9 (4.14) and FSSC 22000.

Facility / Site: _____ Year: _____

Completed by: _____ Reviewed by: _____

Month	Rodent catches	Insect (fly) catches	Crawling insect	Trend / action taken

Compare each month to the previous. Investigate and record corrective action for any upward trend or threshold breach.
